## INTRODUCTION

THE HARVARD VARSITY CLUB was formed in the fall of 1908 primarily to supply permanent quarters for training tables and a common meeting ground for members of the teams, coaches and old "H" men.

Interested graduates contributed funds for remodelling a house on Holyoke Street which was leased and used for two years by the four major teams, — football, baseball, track and crew — and also by the hockey team and the four freshman teams of the major sports. An important feature of this house was the living room in which the men on the various teams in training came into close contact.

The house on Holyoke Street soon proved inadequate and a new home for the Club was sought. After careful consideration had been given to several plans an invitation from the Trustees of the Harvard Union for the Varsity Club to build a wing to the Union was accepted. "Let us all be under one roof" said Major Higginson and this idea of bringing more closely together the athletic and other undergraduate interests of the College was the basis of the final choice of location for the present clubhouse.

A graduate, whose identity has not been disclosed, contributed \$25,000 toward the cost of the new clubhouse, in memory of the late Francis H. Burr, '09, an originator of the scheme of the Varsity Club and its first President. The new building stands as a memorial to Burr whose picture hangs over the fireplace in the big living room.

Since the completion of the new clubhouse in the spring of 1912 there have been, at times, over one hundred men at the various training tables and already the living room has assumed a homelike appearance from constant use. The Harvard Varsity Club is a success; its usefulness has been proved beyond question.

All members of the training squads, both varsity and freshman, are entitled to use the clubhouse, and every man who has won an "H" is eligible for permanent membership in the Club.

# CONSTITUTION

## I

### NAME

This Club shall be called the Harvard Varsity Club.

## II

### OFFICERS

The officers of the Club shall be a President, Vice President, Secretary and Treasurer. The President, Secretary and Treasurer shall be graduates, the Vice President an undergraduate. The offices of Secretary and Treasurer may be combined. The President and Vice President shall be chosen each year at the Annual Meeting.

## III

### EXECUTIVE COMMITTEE

The Executive Committee shall consist of the President, Vice President and Secretary and Treasurer ex-officio, and three graduates and two undergraduates. The two undergraduate members shall be chosen each year at the Annual Meeting. The three graduate members shall be chosen at the first Annual Meeting for the terms of one, two, and three years respectively, and thereafter for terms of three years. The Secretary and Treasurer shall be chosen each year by the Executive Committee after the Annual Meeting. All elections shall be by ballot.

## IV

### MEMBERSHIP

There shall be two classes of membership, viz: regular membership and honorary membership. Men who have won an "H" in baseball, football, rowing, or track athletics shall be eligible for regular membership. Other men, because of exceptional service rendered to the cause of athletics at Harvard University, may be admitted by a unanimous vote of the Executive Committee to honorary membership.

## V

This Constitution may be amended (1) by the affirmative vote of two-thirds of the members present at an Annual Meeting; (2) by a similar vote at a Special Meeting of the Club called for the purpose, provided that a majority of the Executive Committee are in favor of such amendment, and provided also that a notice has been sent to every member fourteen (14) days previous to the holding of such meeting, which notice shall state that an amendment will be proposed at such meeting, and shall set out the substantial meaning thereof.

## BY-LAWS

### I

#### THE EXECUTIVE COMMITTEE

The Executive Committee shall have general charge, management and control of the affairs, funds and property of the Club.

It shall authorize all such contracts, loans, purchases and payments as it shall deem necessary or proper.

It shall fill vacancies in the offices or in its own number until the next annual meeting. It shall make such rules as to the use of the Club House, and the management thereof, as it may find expedient from time to time. It shall control the expenses and charges of the Club, authorize the employment of such assistants and servants as it shall deem expedient and receive and redress complaints, provided the same be properly made to it in writing.

It shall have power to appoint any committees which it may deem necessary, and to abolish the same, or remove any member thereof, or the Treasurer or Secretary, by two-thirds vote.

Any member of the Executive Committee may also be removed by a two-thirds vote of the whole committee.

### II

#### PRESIDENT

The President of the Club shall be Chairman of the Executive Committee. He shall preside at all meetings of the Club and of the Committee. He shall with the Treasurer sign all written contracts and obligations of the Club, and shall perform such other duties as will be of benefit to the Club.

### III

#### TREASURER

The Treasurer shall collect all dues, shall keep the accounts of the Club in books owned by the Club, and shall make payments upon orders approved in writing by the President. He shall render a statement of the accounts at each annual meeting of the Club, and to the Executive Committee whenever requested so to do. His accounts shall be annually audited by persons appointed by the Executive Committee.

### IV

#### SECRETARY

The Secretary shall keep a record of all meetings of the

Club, and of the proceedings of the Executive Committee. He shall conduct the correspondence of the Club and give notice to all members of all meetings of the Club, and to all members of the Executive Committee of meetings of that body. He shall notify persons elected to membership of their election, and shall keep a correct list of members, and shall notify the Treasurer of the names of all persons elected.

V

MEETINGS

The annual meeting of the Club shall be held on the Monday preceding the thirtieth day of May.

The Secretary shall call a special meeting of the Club whenever requested so to do by not less than four members of the Executive Committee or by not less than ten members of the Club. Every such request shall state the object for which the meeting is desired, and no subject not so stated shall be considered.

At the annual meeting any business may be transacted not inconsistent with the Constitution and By-Laws.

VI

NOTICE OF MEETINGS

At least five days' written notice of the annual meeting shall be sent by the Secretary, by mail, to every member,

and notice of every special meeting shall be given in the same manner, and shall also set forth the object for which the meeting is called.

VII

ELECTION OF MEMBERS

The Executive Committee shall act as a Committee on elections. A majority vote shall be necessary for admission.

VIII

ANNUAL DUES

The annual dues shall be \$5 for undergraduates and for graduates of less than three years' standing, and \$10 for all other graduates. Members who have left college without graduating shall be rated as of the class with which they entered college.

The annual dues shall be payable on the first day of October in advance. If a member fails to pay his dues for two successive years, he shall on the first day of January next following be notified that unless payment is made within thirty days he will cease to be a member of the Club, and shall only be readmitted to membership upon such terms as the Executive Committee shall prescribe.

The Executive Committee in its discretion may suspend the payment of the dues of any undergraduate member.

Every member shall receive a monthly statement of his

indebtedness. If such indebtedness exceed \$5, and be not paid in full on or before the expiration of fifteen days after the date of the original bill, the member shall be notified that unless paid within five days thereafter his name will be posted, and if such indebtedness is not paid within such time, then the name of the member, together with the amount of his indebtedness, shall be posted on the Club Bulletin Board. If he fails to discharge his posted indebtedness, on or before forty-five days after the date of the original bill, without good cause, he shall thereupon cease to be a member. A member who becomes indebted to the Club in the sum of seventy-five dollars or more, exclusive of annual dues, shall be immediately notified thereof; and upon failure to discharge such indebtedness in full within one week after the mailing of such notice, his name and the amount due shall be posted, and his credit stopped, of which action he shall receive notice. If he fails to discharge his indebtedness in full within thirty days after notice has been sent to him that his credit has been stopped, he shall thereupon cease to be a member. Provided, that on the written application of such person, and the payment of all sums owed by him, the Executive Committee may, upon such terms as it may deem proper, restore him to membership.

## IX

### RESIGNATIONS

Any member may withdraw from the Club after payment of all dues, by giving written notice of his resignation to the Secretary. Should a resignation not be sent in prior to October 1, the member shall be liable for the dues for the ensuing year.

## X

### EXPULSIONS AND SUSPENSIONS

Any three members may present to the Executive Committee written charges, subscribed by themselves, against any other member, and if it shall appear to the Executive Committee on inquiry, after notice to the member so charged and an opportunity given him to be heard in his own defence, that his conduct has endangered or is likely to endanger the good order, welfare, or character of the Club, or is at variance with the requirements of the Constitution or By-Laws, the Executive Committee may, by a vote of two-thirds of its members, suspend such member or declare his membership forfeited.

---

---

XI

QUORUM

Fifteen members shall constitute a quorum of the Club and five members a quorum of the Executive Committee.

<sup>1</sup> There is no record of the time. Yale entered two crews, the "Shawmut" and the "Undine"; Harvard one crew, the "Oneida." Harvard won by 4 lengths. There was another race the same day, over the same course, by the same crews. Harvard won.

<sup>2</sup> Two Yale boats, "Nereid" and "Nautilus," were 6-oared. The Harvard boat "Iris" was 8-oared and the "YY" 4-oared. Both Harvard boats defeated the Yale boats, — a time allowance of 11 seconds an oar being given to the smaller boats.

<sup>3</sup> Brown was also in the race, and finished last.

<sup>4</sup> There were two races in 1865, Yale winning both. 19m. 5 1-2s. was the time in the second race.

<sup>5</sup> In 1866 there was a second race between the Lawrence Scientific School and the Yale Scientific School. Harvard won. Time, 19m. 38s.

<sup>6</sup> Rutgers was also in the race, and finished last.
